# Reasonable Suspicion Training

**Thursday, October 26th**

**9:30 am - 12:00 pm**

This is a virtual session. Reach out to Bob Blaisdell to gain access to the Zoom meeting.

This two-hour training is designed for those with the role of identifying personnel who may be working while under the influence of drugs or alcohol. Recent post-accident drug tests revealed a 25-year high in positive tests for marijuana.

Employees may only be identified and tested for being under the influence of drugs or alcohol by a supervisor trained in Reasonable Suspicion. All supervisors or those with supervisory roles are welcome to attend.
